Channasandra, Dr. Vishnuvardhan Road, Bengaluru – 560 098

### AICTE ACTIVITY POINT PROGRAMME

#### 1. Unnat Bharat Abhiyan @ Adopted Villages

Students of II and IV Semester EIE visited Nagegowdanapalya, RR Nagar and Kenchenahalli for Two Weeks- 18/02/2019 to 02/03/2019 and carried out various social services and Awareness programs like Swacchatha Abhiyaan, Digital India, Health Awareness Activities as a part of AICTE Activity points. Students were exposed to the various activities like Awareness programs, waste management and so on. Students conducted village survey and House hold surveys in Nagegowdanapalya for Unnat Bharat Abhiyan- RNSIT. The snapshots of the AICTE activities are as shown in Fig 1.

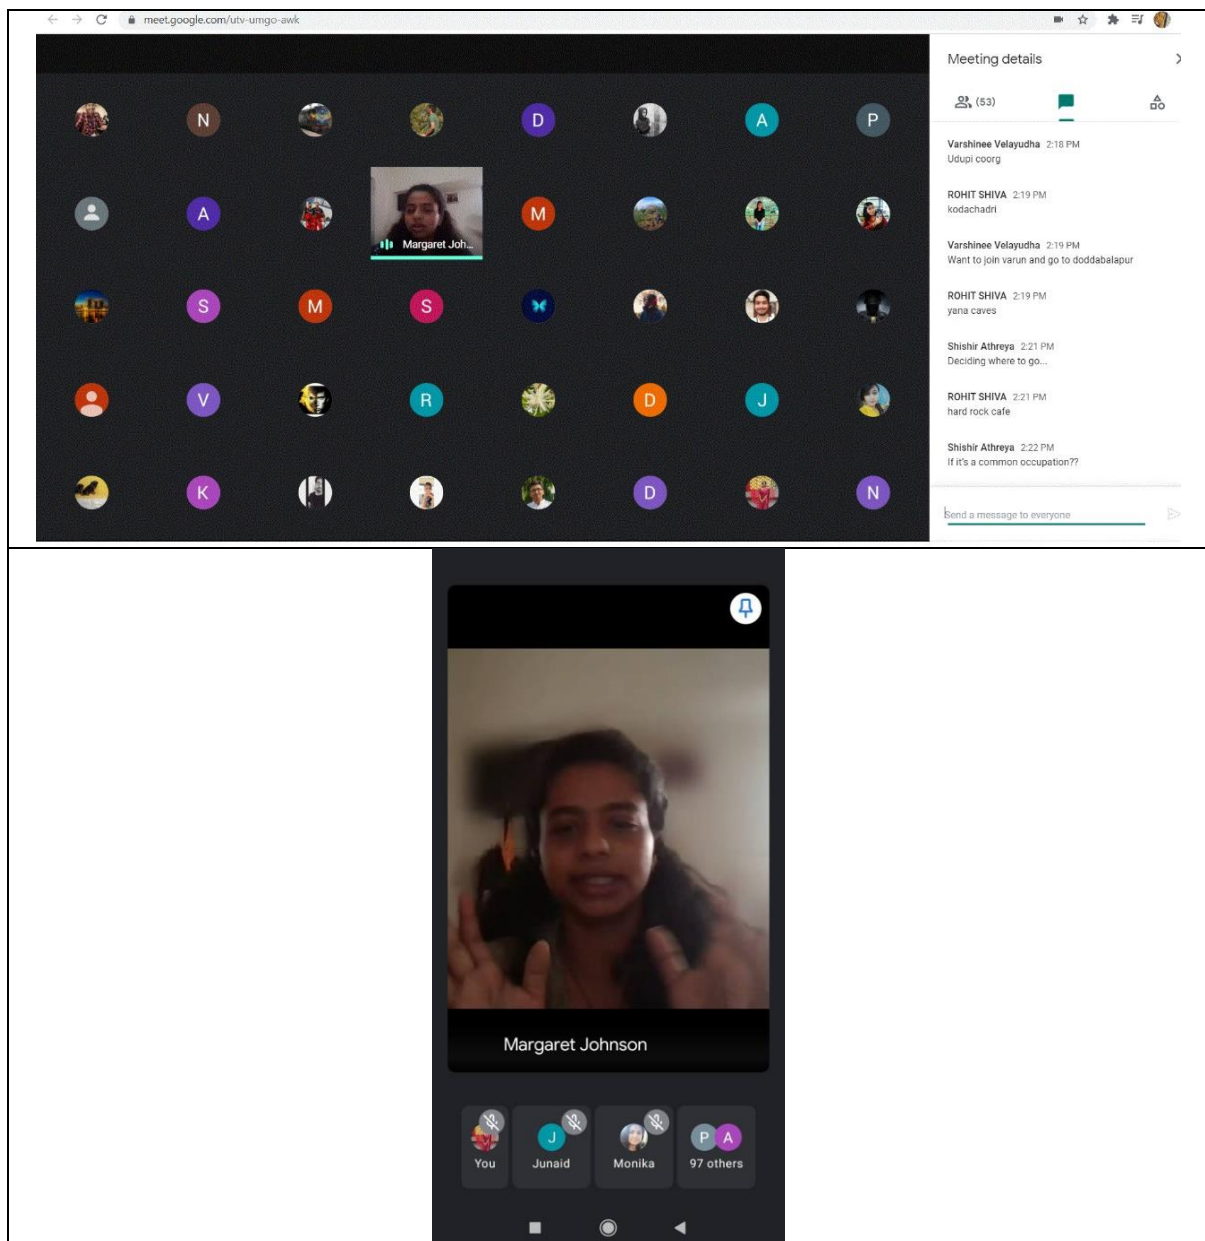

## 2. 2- Week Online Programme by Durga Associates

Students of VI semester EIE attended 2-week event conducted by EIE Department in association with Durga Associates by Ms. Monica and Ms. Margaret Johnson as part of their AICTE Activity points in online Google meet platform from 28/05/2021 to 10/06/2021.

These sessions helped students acquire vast knowledge with respect to the society, the need to bring about a change in the existing norms and the importance to act upon harassment in public places and thus ensure the safety of people regardless of gender which is a basic righty.

Snapshots of the events organized for personality development and to motivate the students towards stress free academics and personal wellbeing of the students are as shown in Fig 2.

These events help in the Gap attainment of Engineer and Society (PO6), Environment and sustainability (PO7), Ethics (PO8), Individual and team work (PO9), Communication (PO10), Project management and finance (PO11) and Life Long Learning (PO12).

### 3. MyMike 2021 for Holistic and Personality Development during March 25-26, 2021

MyMike 2021 program provided a platform for the students to enhance their holistic and personality development. The Program saw many dynamic personalities like Manjamma Jogathi, Arun Sagar share their life experiences and provided a peek into their path of achievements. The program also provided a platform for the launch of App called “Women’s Safety Device” developed by our students Varun Shilesh and a team of ten students and supported by Durga Associates, Bengaluru
