

R N S INSTITUTE OF TECHNOLOGY
Department of Mechanical Engineering
Dr. Vishnuvardhana Road, Channasandra, BANGALURU – 560 098

Advertisement No: RNSIT/REC.RF

Applications are invited from the eligible candidates for a position of a Research Fellow on a temporary contractual basis for a Grant-in-Aid Project entitled “**Evaluation and Optimization of Machinability and Surface Characteristics of Al-Si-Cu alloys for Naval Applications**” tenable at Department of Mechanical Engineering, RNS Institute of Technology, Bangaluru, funded by **NRB – DRDO**.

Essential Qualifications: B. E. /M.E. in Mechanical Engineering / Metallurgy branch with first class, with a passion to carryout research in the area of Machinability and Mechanical Properties of Al and its Alloys.

Emoluments: Rs. 14,000/- per month

Eligible candidates may send their complete Bio-data with e-mail address & contact phone number along with attested copies of the necessary certificates to **Dr. Basava Kumar K G (PI), Professor, Dept. of Mechanical Engineering, RNS Institute of Technology, Bangaluru – 560 098 on or before 20-05-2017.**

Terms & Conditions:

1. The engagement of Research assistant is exclusively for the above mentioned project
2. The engagement will be contractual and on purely temporary basis in the project funded by NRB Govt. of India for a maximum period of three years and is co-terminus with the project.
3. The engagement under externally funded project does not confer any right/claim whatsoever either explicitly or implicitly on the appointee for regular appointment in RNSIT against any post or otherwise under any legal conditions precedent
4. No TA/DA will be given to the candidates for attending the interview.

Applications received after the due date (i.e., **20-05-2017**) will be summarily rejected. The short-listed candidates will be informed about the date of interview and the venue through e-mail/post.
