Project Open House Expo

The Department of EIE encourages the students to showcase their final year projects every year in the month of May. This is an opportunity for the students to showcase their talent and inventions in the field of engineering. Both hardware and software projects are done and displayed by EIE students in the various fields of engineering. Students come up with a variety of ideas and complete their project with all effort and enthusiasm. EIE Department usually conducts Project Open House in Mechanical Open Quadrangle and allows students to explain and project their projects.

During Covid pandemic, the department of EIE conducted a virtual project open house for the years 2020 and 2021 through online applications such as ZOOM and Cisco Webex. Attendees for open house included EIE final year students, staff and chief guest. The open house expo consist the projects done by our EIE students in various fields.

Invitation banner/pamphlet for the online/offline Project Open House Expo is prepared and sent to the dignitaries and students through pamphlets, mail and WhatsApp.

We invite national and international Chief Guests/Judges to evaluate the final year projects done by our students. Here naming few of the dignitaries who evaluated the projects: Sharanya Ramakrishna, Technical Product Manager, PayPal, California, Mr. Balajee Venkataraman, Software Engineer III, Applied Materials, Santa Clara, California. Mr. Prakash Kaja CEO, Saadruso Technology Ventures Pvt. Ltd. Bengaluru.

Our dignitaries spend their valuable time with our EIE students, discuss the various technologies and evaluate final year projects and select the best project exhibited on “Project open house”.

The event is concluded with the selecting and appreciating all the evaluated projects, as well as an Appreciation certificate is issued to the Chief Guest of Project Open House 2021 for interacting with our EIE students and judging the projects made by them. All the final year projects PPT/ Videos are uploaded in the Google Drive link. Participation certificate is issued to all the participants of the project open house.
