## DEPARTMENT OF INFORMATION SCIENCE AND ENGINEERING

### ALUMNI MEET - "SAMYUKTHA"

Samyuktha is an Alumni Meet event, which is proudly hosted by the department of ISE with the following Objectives :

- To establish a relationship between academic institutions and the business world.
- To give Alumni an opportunity to help and improve the quality of education and other amenities.
- To embrace any recommendations for improving the department.

Alumni gatherings are critical for the students' as well as the institution's overall development. Alumni of the ISE Department, have brought our Institution and the university a considerable honor. They have set the standard for what it is to be a successful and good human being. They teach us the value of having a clear conscience, having the bravery to speak the truth, and being authentic. It brings back a lot of memories to see our Alumni back to campus, where they belong.

This event will be held every year to connect our alumni who are working across the globe. Formal invitations are made and all are invited for the occasion. The event will be held With regular formal function protocols. In the event, the importance of the meet and the Guests for the day everyone is being introduced and welcomed. Department makes a sincere effort by showcasing the college pictures and videos to bring back their memories. Also, ensures to make them updated about the recent progress of the department, achievements of the Faculty and Students and overall college. Awareness about the Faculty, college, and new norms everything will be made clear to them so that they can find the significant differences with respect to the growth of the Department in turn college.

There will also be an alumni interview, in which they were asked a series of questions by a panel of experts to collect their inputs for the betterment of the students and for High Industry exposure. Department HoD convey's heartfelt thanks to Alumni for their keen interest in the institution's growth. Event Successfully ends by witnessing the strong knowledge share by Alumni also igniting their old college days memories.

We thank the Management, Principal, and pro-active Alumni for the successful conduction of this event every year.
