

IEEE (Institute of Electrical and Electronics Engineers) is the world's largest technical professional organization. IEEE and its members inspire a global community through highly cited publications, Conferences and professional and educational activities.

It has 39 technical societies covering all the fields of Engineering. IEEE Student branch at RNSIT was established during 2010. Since its inception, the branch is involved in conduction of various technical events, workshops, webinars, and technical talks.

The IEEE RNSIT SB is managed by the Branch Counselor Dr Rajini V Honnugar, Prof, ECE, who overlooks the conduction and management of all the events under IEEE. The Department of ECE, has established the IEEE Signal Processing Society (SPS), which is a special interest group, which conducts technical workshop, talks and also special courses in the area of signal processing. Mr Sanjay Belgaonkar, Asst Prof, Dept of ECE, manages the events under Signal Processing society. Various Student projects were also given under the Society.

The IEEE Student Branch has a student Execom Committee, consisting of student members from various branches of the college. The current number of Student members are 56.

The following is the IEEE Student Team:

- Student Chair – Bhargava Desai, 7th sem ECE
- Vice Chair – Akhilesh Patil, 7th sem EEE
- Treasurer- Harish, 7th Sem ECE
- Secretary – Tejasri – 7th sem EIE

The student team manages the conduction of Events, reporting of events to the IEEE Bangalore Section. Every year the Student Branch celebrates the IEEE Day in the first week of October. The IEEE Day is a dayful of activities, comprising of Technical talks, Workshops, Quizzes, Recently the IEEE Student Branch received a funding of \$300 for the project “Manim- An Animation Library” under IEEE EPICS Project Funding.
