

Query 1: HEI is requested to kindly note that the students admitted on reserved seats should not be more than the seats earmarked for the reserved category. As the seats earmarked for the SC seat is 0 in AY year 2021-22 but admitted seats are 2 in AY 2021-22 in the data template. Please relook and provide the correct data.

The correction is made in the data template of the AY:2021-2022 under reserved category seats for SC quota. The corrected data template is attached.
