Dear Nisha Bharadwaj:

It is with great enthusiasm that I inform you that you have been granted admission to the University of Wisconsin - Milwaukee as a graduate student! There is no better time to be a part of the UWM graduate student community.

UWM has earned a top-tier research R1 classification from the Carnegie Institutes of Higher Education. UWM is now one of 115 universities in the United States that is classified as having the highest level of research activity. By accepting this admission, you may work alongside the faculty at UWM who are leading the charge in conducting research in many fields that will make an impact on our local and global cultures and economies.

UWM is located within the heart of Milwaukee. We are less than five minutes from the beaches of Lake Michigan and 10 minutes from downtown Milwaukee. There are more than 10 Fortune 500 companies located within the metro-Milwaukee area. UWM has partnerships with many local companies, businesses, schools, non-profit agencies, cultural organizations, and health institutions that will help provide experience in your field.

In addition, the Graduate School makes many efforts to encourage our graduate students to strengthen their career path with professional development activities. We offer "Preparing Future Faculty and Professionals," a graduate-specific course geared at providing training and insight to our students to help them prepare for their future careers both in and out of academia.

Enclosed is your official Certificate of Admission which lists your program, your Campus ID, your department contact information, and any admission conditions that you would need to satisfy to fully complete your admission. We ask that you please log in to your Panther application at <http://graduateschool.apply.wisc.edu/> to accept or decline your admission offer to UWM.

We would be delighted to have you become a part of our UWM graduate student community, and we look forward to hearing from you soon.

Marija Gajdzdziska-Josifovska
Dean of the Graduate School

Dear Souvik,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Computer Science MS program at the University of Illinois at Chicago (UIC) beginning in the Fall 2020 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details on advising will be communicated to you by the department, if they have not already done so. Available for students admitted to the University is myUIC, a portal designed to assist students with the admission to registration process. Please go to go.uic.edu/gradenroll to access myUIC, if you have not already done so. We encourage you to visit the portal regularly to check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when processed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at campuscare.uic.edu to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States, and either is, or proposes to be, a temporary alien in the United States for substantial purposes only. As an international student, you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. See our Admitted Student Guide at go.uic.edu/gradadmit for submission details. For specific questions about your admission status or required documents, consult the Office of Admissions at (312) 998-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that you may do so for up to one year without reapplying. Please contact your department with any questions concerning deferral.

Again, congratulations! We look forward to providing you with an outstanding education.

Sincerely,

Karen J. Colley
Dean

GRIFFITH COLLEGE
 South Circular Road, Dublin 8
 Tel: +353 1 419400 Fax: +353 1 4549165 Website: www.griffith.ie

Important Information

Living Expenses

As well as paying your tuition fees, you will also need to ensure that you have sufficient funds to cover your living expenses (accommodation, food, travel, books, entertainment etc.). These additional costs are estimated at €1000-1200 per academic year but will vary depending on your personal lifestyle. Please note that for your initial registration with the immigration authorities in Ireland, you must demonstrate that you have €1,000 in your bank account to support your living expenses.

English Language

If English is not your native language, you must show that your English level is of a suitable standard. English Language Entry Requirements are detailed per programme on the College website: www.griffith.ie. These requirements are in respect of internationally recognised English language tests. Students who have not achieved a sufficient score in an internationally recognised English language test will be required to attend the Oxford Placement Test in Griffith College prior to the commencement of their course. Details of this test can be found at www.oxfordenglishtesting.com. Students whose level of English does not meet the required standard will then be redirected onto a General English course in GC. The charges for these classes are separate from academic programme fees (and other fees already stated, if applicable).

Fees

In order to secure your place on your course, **you must forward your fees to the college as soon as possible**. The Total Tuition Fee includes Medical Health Insurance, which will be activated on your arrival in Ireland. The Total Tuition Fee must be paid in full and in advance.

If for any reason you are unable to commence your course on the above intake and wish to defer to the next intake of your course, you will then be liable for the course fees pertaining to the next intake. Deferrals will only be considered in exceptional circumstances (visa delays etc.) and at the discretion of the Course Director.

Students classified for fee purposes as Non-EU on application shall remain that fee status and continue to pay Non-EU fees for the duration of their course following admission, whether studying full-time or part-time and irrespective of holding a work permit or claiming EU residency subsequently.

Programme fees are not refundable irrespective of the circumstances, except for valid and documented visa refusals. Refund requests must be made in advance of programme commencement. Requests made after programme commencement cannot be facilitated.

Please note that the tuition fee for your programme does not include the cost of course materials. The cost of materials differ for each course and each year. Please contact the admissions office for an estimate of the cost of the materials for your course and year of choice.

Programme fees for non-EU students resident outside of Ireland at the time of application shall be made payable to Griffith College Student Advisory Services Ltd, and shall incorporate payment by students for student advisory services to be supplied by Griffith College Student Advisory Services Ltd, and education to be provided by Griffith College. The Griffith College JV shall make payment to each entity in proportion to the value of the services rendered by each to the non-EU student.

The decision to offer a place in Griffith College shall be made by Griffith College Academic staff in Ireland and not by any process providing student advisory services to the student at that student's country of residence.

Changing Courses

You will NOT be permitted to change your course on your arrival at the College. The course indicated on your offer letter is the course that you must follow. In addition, by accepting Griffith College's invitation to register, you acknowledge that Griffith College has made arrangements to provide the services necessary to support you in completing your course and you undertake that you will not, during the period of your Griffith College course, apply for or undertake any course of study in Ireland inconsistent with your participation on your Griffith College course. Also, as per visa regulations in Ireland it is not permissible to leave your programme of study at any time and join a programme of lower academic standing.

Students Who Require a Study Visa for Ireland

If you require a Study Visa for Ireland, you should pay your fees as indicated above immediately so that we can issue you with an "Invitation to Register" letter to join the College. You can then use this "Invitation to Register" to support your application for a Study Visa. You cannot apply for a Study Visa without this "Invitation to Register" letter.

Irish Naturalisation and Immigration Service (INIS): The College is required to send updated details in respect of all Non-EU students to INIS, to facilitate the INIS registration process.

- Please note that all courses will commence subject to an appropriate number of participants enrolling on the course.
- If you have submitted original documentation as part of your application, Griffith College will return to the corresponding address immediately. Griffith College does not destroy or store original documents.

Directors: Dr. A. Murphy (President), R. Callanan, P. Ryan, P. Mac Donagha, P. Scott-Green, R. Pender, P. Sheehan, J. Murphy
 Joint Secretaries: R. Callanan, P. Sheehan

Date of Offer: 25/11/2020

Dear Prathiksha,

Unconditional Letter of Acceptance: Computer Science - Data Analytics (MSc) - CSD
Student ID: 21238161

I am pleased to confirm that you have been unconditionally accepted in the course **Computer Science - Data Analytics (MSc) - CSD** for the entry term **Autumn 2021** at the National University of Ireland, Galway in accordance with the usual rules and regulations of the University. The details of the offer are as follows:

Programme:	Computer Science - Data Analytics (MSc) - CSD
Level:	Taught Masters
Mode:	Full Time
Teaching Starts:	Monday, 6th September 2021
Annual Tuition Fee:	€23,750
Deposit Paid:	€1,000.00

***Tuition fees are subject to annual review.**

Please note that applicants from **VISA Required Countries (except India)** will need to pay €6,000 towards their **Tuition Fees** in order to obtain VISA approval. Applicants from **India** are required to pay 50% of their tuition fees in order to obtain VISA approval.

If you are an applicant from a **VISA Exempted Country**, then you can ignore the above message. A list of VISA Exempted Countries can be found [here](#).

English Language Requirements

All non-EU applicants must meet the [English language requirements](#) set out by NUI Galway. Please see the [English Language Centre](#) website for full details and to book your place in the most suitable programme for you.

Internships

In case your programme includes an internship, we will secure internship opportunities. However, it is at the discretion of employers of whether they should and offer a position to applicants. In case a student cannot secure an internship, other modules must be completed to complete the programme.

Student Visa and Immigration Guidelines

All non-EU/EEA nationals are subject to immigration control at the point of entry to the Irish State. EU and United States citizens do not require a student visa to enter Ireland, however please ensure you bring a valid passport, your acceptance letter and proof of payment of fees with you to present to immigration control. Students who require a student visa should apply to the Irish Naturalisation and Immigration Service. Application may take up to 6 weeks to process. Please refer to www.inis.gov.ie for details.

Dear Nikhil,

Congratulations! You have been accepted into the Master of Science in Business Analytics (Cohort) program, Data Science track, at the University of Texas at Dallas' Norma Paul School of Management beginning in the Fall 2022 semester.

We share your excitement as you begin this next stage in your educational career. Your program director, Bill Healey (bill.healey@utdallas.edu), and academic staff will be here to assist you with any questions or concerns you may have throughout the course of your program.

I wanted to congratulate you on your admission into the MS in Business Analytics - Cohort program at the *Jindal* School. You made it! That is a big achievement and you should be proud. We look forward to having you with us here at the University of Texas at Dallas.

The next step is to log into your [UT Dallas account](#) and accept your admission, and I hope you accept it as soon as possible. However, after accepting your admission, there are a few more things to do to finalize the process. After accepting your admission, a good follow-up step is to start receiving the New International Student Checklist (<https://utdallas.edu/international-student-checklist>) for other steps along your path to joining the University of Texas at Dallas.

Please note that you must be admitted to the University. The University requirements entail documentation of various parts of your application, like official GMAT/GRE scores and transcripts. A document list will be sent to you.

Please also note that as a graduate student, you will not have been present in your undergraduate experience. Be sure to read the [UT Dallas International Student Checklist](#) and the [Academic Catalog](#), both of which are available on the [UT Dallas website](#). Please also read the rules and regulations therein pertaining to your academic experience.

Tel: 585-475-2229
Fax: 585-475-7164
<http://www.rit.edu>

Dear Rahul,

Congratulations! It is with great pleasure that I offer you admission to the Data Science, MS program for the Fall 2020 term at Rochester Institute of Technology. Your admission is contingent on completing the requirements outlined on the RIT Graduate Admission Contingency form.

Your application and supporting documents detailing your accomplishments convinced the Admissions Committee that you have the scholarly aptitude to flourish in a diverse community of scholars, entrepreneurs and humanitarians. Admission to graduate study at RIT is a selective process; you should take pride in this attainment.

RIT is a university where brilliant minds assemble in service of innovative ideas and creative solutions. Among the nearly 4,000 colleges and universities in the U.S., **RIT ranks in the top 4 percent** for selectivity and is considered a "best value" university according to *U.S. News & World Report*. We invite you to accept our offer and avail yourself of the rich academic resources available to you.

To accept our offer of admission and complete the enrollment process, please complete the online Reply to Offer of Admission form by May 1, 2020, which can be found on your Application Status page at join.rit.edu/account/login. After accepting our offer of admission, please pay the \$500.00 Advance Tuition Deposit by May 1, 2020. This reserves your place in the program, allows you to apply for campus housing and access online resources. Your academic department will provide you with registration procedures and course schedules.

If any questions arise, please check our website, rit.edu/admissions/graduate/accepted-students, contact us at gradinfo@rit.edu, or call us at 585-475-2229. From this point on, we will send you a series of emails containing important information about your admission to RIT. Be sure to add gradinfo@rit.edu to your approved sender list.

Again, congratulations, I am thrilled to welcome you to RIT.

Sincerely,

Diane Ellison, Ed.D.

Dear Kiran Devaraj,

Congratulations on your admission to The University of Texas at Dallas! Per your request, we have moved your offer of admission to the Master of Science in Computer Science program for the Spring 2021 semester. We share your excitement as you begin this new stage in your education.

You will be contacted by the department regarding the new graduate student orientation dates and any other specific information. Contact information for the Department of Computer Science is located at cs.utdallas.edu/contact.

To accept your offer of admission and begin the steps toward enrollment, visit utdallas.edu/graduate/after-admission. Should you need to defer your admission for any reason please contact the associate dean for the program to which you were admitted.

Your non-resident tuition status has been determined based on the information that you provided on your admission application. If you have any questions regarding your residency status, please contact the Office of Admission and Enrollment at 972.883.2270.

Our faculty and staff look forward to welcoming you to UT Dallas. We promise you a welcoming environment, intellectual challenges, great faculty in your field of study, and a diverse and stimulating University family.

Sincerely,

Gopal Gupta, Ph.D.

Applicant ID (UIN): 667605870

Dear Ajay,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Computer Science MS program at the University of Illinois at Chicago (UIC) beginning in the Fall 2020 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details on advising will be communicated to you by the department, if they have not already done so. Available for students admitted to the University is myUIC, a portal designed to assist students with the admission to registration process. Please go to go.uic.edu/gradadmit to access myUIC, if you have not already done so. We encourage you to visit the portal regularly to check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at campuscare.uic.edu to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States, and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an international student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. See our Admitted Student Guide at go.uic.edu/gradadmit for submission details. For specific questions about your admissions status or required documents, consult the Office of Admissions at (312) 996-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that you may do so for up to one year without reapplying. Please contact your department with any questions concerning deferral.

Again, congratulations! We look forward to providing you with an outstanding education.

Sincerely,

Karen J. Colley
Dean
UIC Graduate College

July 14, 2020

Dear Akshay,

Congratulations! We are pleased to inform you that you have been admitted to Graduate Standing to pursue a graduate degree at the University of Nevada, Reno.

NSHE ID Number: 8001408499
Program: Engineering Graduate
Plan: Computer Sci and Engrg MS
Sub Plan: General
Degree: Master of Science
Admit Term: Fall 2020

Accepting your admission notifies the appropriate offices (Admissions, Financial Aid and Scholarships, and your academic department) that you are still interested in attending the university. You must accept your admission in order to register for courses, receive financial aid and scholarships or accept a graduate assistantship if an assistantship is being offered to you by your academic department.

If you have not already logged into MyNEVADA, once you accept your admission you will receive a follow up email within 2 business days with instructions on how to log into the MyNEVADA student center. Please be sure to check your spam folder as many automated emails are filtered automatically.

OFFICE OF INTERNATIONAL STUDENTS and SCHOLARS (OISS): The issuance of your I-20/DS-2019 (depending on your visa status) will come from OISS. Please contact them for information regarding this process at (775) 784-6874 or on the [OISS website](#). Once your I-20/DS-2019 is issued, and upon your arrival to the university, you will be required to check in with the Office of International Students and Scholars before registration for classes will be authorized.

MANDATORY HEALTH INSURANCE: At the University of Nevada, Reno, international students are required to pay the university Student Health Center fee and purchase the "Student Health Insurance Plan." For additional information regarding health care, visit the [resource page for OISS](#).

The Graduate School is dedicated to excellence in original research, teaching, creative expression and intellectual leadership. We are delighted that you have chosen the University of Nevada, Reno, and wish you every success in your future studies. Please enjoy a [brief welcome message](#) we've created for you.

Sincerely,

October 28, 2021

Dear **Sudarshan Jarabandahalli Nagesh Rao**:

I am very pleased to offer you admission to the Graduate School at the University of Maryland, Baltimore County (UMBC). We know that you will find graduate education and research here both challenging and rewarding.

Please indicate whether or not you will be accepting our offer of admission by logging in to your myUMBC account. **Accepting your admission is required before you are able to register for classes.** To activate your account visit <https://webadmin.umbc.edu/> then click the "Create my Account" link. Activating your account requires your date of birth and UMBC Campus ID. Your Campus ID is **QJ37619**

Your Graduate Program Director or Program Coordinator will contact you regarding program-specific orientation and academic advisement for your first semester's course selection. If you are subject to prerequisites or other terms of admission, the department to which you have been admitted will notify you directly. The Graduate School Catalog, Policies and Procedures are available at our [website](#).

As you prepare for your arrival at UMBC, there are some health related requirements that you must meet before you arrive on campus. Visit the [University Health Services website](#) and check the "Incoming Students" section to review and submit required health forms. Also, check out our [Getting Started](#) page where you can find important information on the next steps you should take as a newly admitted student.

The [Office of International Education Services \(IES\)](#) will help you with your immigration requirements and questions as you prepare to attend UMBC as an international student. Please follow these [instructions](#) to request your I-20, schedule your F-1 interview and prepare for your transition to the U.S. and to UMBC. You may contact the IES with any questions related to immigration by emailing ies@umbc.edu

18 April 2021

Dear Mr Anand,

Confirmation of offer details

MSc in Business Analytics - 2021/2
Student Number: 210191152

This letter is not produced for visa purposes

We are writing to confirm that Aston University has made you an offer of a place on MSc in Business Analytics ("the Programme") for the academic year 2021/2 ("the Offer") starting on September 20th 2021 and expected to end on September 30th 2022. The Offer is unconditional.
The Programme

The key information relating to the Programme is set out in the Offer.

Financial Arrangements

The annual tuition fee for the Programme will be: £19250

Additional costs which you will be responsible include:

- printing and binding costs;
- text books and course materials which are not accessible via the University library (details of the services provided by the library can be found at: <https://www.aston.ac.uk/library/>); and
- any other associated costs such as transcription services and proof reading.

Obligations

You will be subject to the University's Terms and Conditions of Enrolment, which you can find attached to the Offer.

Accepting your Offer

To accept the Offer, please visit: <http://www.aston.ac.uk/study/postgraduate/taught-programmes/labs/offer/>, where you can pay your £2,000 deposit and will find all information required to accept your offer.

If you are being sponsored please visit <http://www.aston.ac.uk/current-students/finances/paying/> for further guidance.

18 February 2021

Dear Ankit Manoj

Thank you very much for your application to study at the University of Exeter.

We really think you can really thrive here, and we have the staff, environment, facilities and community to offer you a warm welcome and support you academically.

We are delighted to offer you a place at the University, congratulations. Details of your offer are:

PROGRAMME TITLE: Master of Science in Health Data Science

PROGRAMME DATES: 20 September 2021
19 September 2022

The programme start date given above is the official start date of your programme of study. All new students are invited to attend welcome activities in the week preceding and further details of these will be communicated in due course.

MODE OF STUDY:

Full Time

OUR OFFER:

Your offer is unconditional - we confirm that you have satisfied our academic and linguistic requirements.

Please email or upload scanned or certified copies of transcripts, do not post the originals.

TUITION FEES:

You have been classified as International for fee purposes.

By accepting your place you will be confirming your fee status. However, if you think your fee status is incorrect you have 28 calendar days, from the date of your offer, to query your status based on your current circumstances. If you wish to do so please contact us at: ad-feestatus@exeter.ac.uk, stating your full name, Exeter Student number, programme and details of why you think the fee status is incorrect. By accepting your place you will be confirming your fee status. Please refer

Dear Adithya,

Congratulations! This letter serves as your official notification of admission to the Graduate School of Purdue University at the West Lafayette campus. I am delighted to welcome you to a community of more than 12,000 graduate students on our four campuses who come to us from every state in the Union and from 117 countries.

The information contained within the admission information sheet of this letter is essential to your enrollment. Careful reading of this material will make your transition to the Graduate School as smooth as possible. If you are unable to register for the session specified on the second page, please notify the graduate office of your academic program as soon as possible. Your academic program's graduate office also will be able to answer specific questions you may have.

You already know the strengths of Purdue's graduate programs. I hope that you will come to regard the Graduate School as your second academic home during your time at Purdue University. The Graduate School has developed special programs for its students and is committed to the professional development of all Purdue graduate students. Our goal is to enhance the quality of graduate student life. The Graduate School Web site at www.purdue.edu/gradschool is your source for detailed information about programs and opportunities at our four campuses.

Thank you for [choosing Purdue](#) and joining us in the persistent pursuit of the next giant leap.

[Click here](#) to submit your response to the offer of admission.

With best wishes for success at Purdue.

HOD ECE

University of Nevada, Reno

July 14, 2020

Dear Akshay,

Congratulations! We are pleased to inform you that you have been admitted to Graduate Standing to pursue a graduate degree at the University of Nevada, Reno.

NSHE ID Number: 8001408499
Program: Engineering Graduate
Plan: Computer Sci and Engrg MS
Sub Plan: General
Degree: Master of Science
Admit Term: Fall 2020

Accepting your admission notifies the appropriate offices (Admissions, Financial Aid and Scholarships, and your academic department) that you are still interested in attending the university. You must accept your admission in order to register for courses, receive financial aid and scholarships or accept a graduate assistantship if an assistantship is being offered to you by your academic department.

If you have not already logged into MyNEVADA, once you accept your admission you will receive a follow up email within 2 business days with instructions on how to log into the MyNEVADA student center. Please be sure to check your spam folder as many automated emails are filtered automatically.

OFFICE OF INTERNATIONAL STUDENTS and SCHOLARS (OISS): The issuance of your I-20/DS-2019 (depending on your visa status) will come from OISS. Please contact them for information regarding this process at (775) 784-6874 or on the [OISS website](#). Once your I-20/DS-2019 is issued, and upon your arrival to the university, you will be required to check in with the Office of International Students and Scholars before registration for classes will be authorized.

MANDATORY HEALTH INSURANCE: At the University of Nevada, Reno, international students are required to pay the university Student Health Center fee and purchase the "Student Health Insurance Plan." For additional information regarding health care, visit the [resource page for OISS](#).

The Graduate School is dedicated to excellence in original research, teaching, creative expression and intellectual leadership. We are delighted that you have chosen the University of Nevada, Reno, and wish you every success in your future studies. Please enjoy a [brief welcome message](#) we've created for you.

Sincerely,

Markus Kemmelmeier, Ph.D.
Dean, Graduate School

* Normalized marks for Civil Engineering (CE), Computer Science and Information Technology (CS) and Mechanical Engineering (ME) Papers.
** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard.

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard
M_q is the qualifying marks for general category candidate in the paper
M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
S_q = 350, is the score assigned to **M_q**
S_t = 900, is the score assigned to **M_t**
 In the GATE 2021 score formula, **M_t** is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.
 Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

- Codes for XE and XL Paper Sections (compulsory section and any other two sections)**

Unconditional Offer

Karan Subramanya
Flat No 100 Block Number 11 Jeevan Mitra Colony
9Th Cross J P Nagar 1St Phase
Bengaluru 560078
India

Issue Date: 13 October 2021
Applicant ID: 967882
Application Number: 00635046

Dear Karan,

We are delighted to inform you that your recent application to study with Liverpool John Moores University has been accepted. We would like to make you an Unconditional offer to study Embedded Systems and IC Design, commencing Academic Year 2021-22.

Details of your offer

Programme name:	Embedded Systems and IC Design (Master of Science)
Full/Part time:	Full-Time
Level of entry:	FHEQ Level 7
Faculty:	Faculty of Engineering and Technology
Commencement date:	Monday 17 January 2022
Latest date of acceptance:	Friday 28 January 2022
Date of completion:	Friday 29 September 2023
Tuition fees:	£16100.00
Deposit required:	£4000*
Fees Paid:	£0
Estimated cost of living:	UKVI require that students have £9,207 living costs in their bank account (in addition to tuition fees) 28 days prior to applying for their visa.^
Do I need to apply for ATAS?	No

If you applied for a future year/intake please note the fees stated above may rise and the course start and finish dates may change.

^ You will be exempt from meeting the financial requirements if you have been living in the UK for 12 months or more with permission at the time of your application.

* Please be aware you will be required to pay an additional £4050.00 prior to enrolment in order to commence your studies.

Congratulations you are eligible for the LJMU International Achievement Scholarship. Once you meet all your conditions of entry you will receive a £3000 partial tuition fee scholarship.

Conditions of offer

2021_Karan S

PROVISIONAL ADMISSION LETTER

05-Jul-2021

SUDARSHAN SIVAKUMAR, [Application No. **2021703397**] has been provisionally selected for admission to **M.TECH. Internet of Things and Sensor Systems** Programme at **Vellore** campus for the academic year 2021- 2022 based on merit performance and selection criteria. The commencement of classes through online mode will be held from 16th August 2021.

STATEMENT OF APPROXIMATE EXPENDITURE in INR (For M.Tech-2 Years)				
S.No.	Academic Fees	2021-22	2022-23	Total
1.	Tuition Fees (per annum)	150000	150000	300000
2.	*Caution Deposit (refundable)	*3000	0	3000
Academic Fees Total		153000	150000	303000
Rupees Three Lakh Three Thousand Only				

1. Please pay your advance tuition fees on or before 23-Jul-2021 and balance tuition fees on or before 06-Aug-2021. The payment should be done through online mode only (Refer VIT website for online payment details). Non-payment within the deadline will automatically cancel the admission offer.
2. The details and procedure for hostel accommodation will be updated in the VIT Vellore/Chennai/AP/Bhopal websites shortly.
3. Hostel fee is applicable for those who join the hostel. Actuals might vary based on the choice of room and food in the respective campus.
4. If the candidate withdraws from the course before commencement of programme, Rs. 11800/- (including GST) will be deducted. In case of withdrawal from hostel, refund rules will be announced shortly in VIT website.
5. **Score in 10th, 12th class and UG degree need to be 60% and above. This is mandatory for VIT Campus Placement.**
6. **Change of campus and change of programme is not possible.**

The sanction of **EDUCATION LOAN** to the student is recommended subject to the conditions of the lending bank.

Dear Danish,

We are pleased to inform you that you have been admitted to the Electrical Engineering (M.E.) program at Colorado State University for the Spring 2021 semester. Congratulations! Our graduate programs are recognized world-wide, and an attitude of excitement and optimism is pervasive. We hope you choose to join our CSU community.

Review the [next steps to starting your graduate studies](#) to ensure you are ready to register and attend classes. Be sure to check your @colostate.edu email address as all official communications from the University will be sent to your @colostate.edu email address.

We look forward to welcoming you to Colorado State University and wish you success in the pursuit of your educational goals.

Dear Ridha:

It is my pleasure to inform you that you have been admitted to graduate study at Oregon State University. Congratulations! We are proud of Oregon State and are very pleased to welcome you to the OSU community.

Please check the information below and let us know if it is not correct.

Term: Fall Term 2022
College: Engineering
Major: Computer Science

OSU ID: 934-449-181
Degree: Master of Science
Fee Status: International

Please have the following official* document(s) sent to the Graduate School as soon as possible.

College Transcript - Visvesvaraya Technological University - Marksheets
Bachelor of Engineering Degree Certificate/Diploma
All documents must be attested by the Registrar or Controller of Exams

*Official academic records must be sent directly to OSU from the school issuing the records. All records must be received in a sealed/signed envelope issued by an appropriate school official in the school's Registrar or equivalent office. Please carefully read the enclosed information for additional instructions about what is considered to be an official academic record. You cannot register for courses at OSU until we receive this information.

Admission is term specific. If you are unable to attend the term to which you are admitted, your file will become inactive. If you wish to postpone or defer your admission, please contact the Graduate School as soon as possible.

If you have questions, please do not hesitate to contact us. Again, welcome to OSU!

Sincerely,

Philip Mate, PhD
Vice Provost & Dean, Graduate School

April 2022

To: U.S. Embassy or Consulate or Customs and Border Protection
Re: Electronic Form I-20; Mode of Instruction for Academic Year
2022-2023

Dear Officer,

Electronic I-20s:

On Nov. 1, 2021, the Student and Exchange Visitor Program (SEVP) published [SEVP Policy Guidance: Use of Electronic Signatures and Transmission for the Form I-20](#), which establishes the procedures for the use of electronic signatures and transmission of the Form I-20, "Certificate of Eligibility for Nonimmigrant Students." **This guidance indefinitely permits designated school officials (DSOs) to electronically sign and transmit the Form I-20 to initial and continuing students and their dependents.**

Under this guidance, DSOs may electronically sign all signature fields on the Form I-20 using software programs or applications, or by using electronically reproduced copies of a personal signature. Additionally, school officials may scan and email or electronically transmit the Form I-20 via secure platform, such as a school portal or other secure site, to F and M students and their dependents.

Academic Year 2022-2023 Instruction Format:

Illinois Institute of Technology certifies that, as of the date of this letter, it is our institution's intention not to operate in an entirely online mode of instruction for the 2022-2023 Academic year. Illinois Institute of Technology's current plan is to hold classes at all academic levels, using a combination of physical classes, hybrid classes, and online classes for the 2022-2023 Academic year. The purpose of this support letter is to confirm that the holder of this letter and an Illinois Institute of Technology-issued I-20 plans to participate in Illinois Institute of Technology's hybrid mode of instruction in the 2022-2023 Academic year. If, at some point in the academic year, Illinois Institute of Technology is prevented from offering hybrid classes due to a COVID-19 outbreak on campus or a state-mandated public health restrictions, Illinois Institute of Technology will ensure that this student remain in status by taking their classes online for the rest of the academic year.

Thank you for your assistance in this matter.

HOD ECE

**Acceptance Letter
Master's Programme Professional IT Business and Digitalization,
HTW Berlin, Germany – winter semester 2022**

Issued on 31.03.2022 **for:** HTW Berlin, Master Programme Professional IT
Business and Digitalization

Surname, First name Gaikwad, Kaustubh Dilip
Student ID number Pro ITD-2239
Date of Birth 10.05.1997
University HTW Berlin, University of Applied Sciences

This is to confirm that Mr. Kaustubh Dilip Gaikwad has been accepted to the master programme Profession IT Business and Digitalization Programme starting October 1st, 2022 in the winter semester 2022/23. Further to that, we hereby confirm receipt of first semester tuition fee (4.750EUR) plus first semester fee (305.89EUR) payment.

The language of instruction for the programme is English. English language requirement has been proven by Mr. Kaustubh Dilip Gaikwad to be satisfactory for this programme. There is no German language requirement for this programme.

We strongly recommend for Mr. Kaustubh Dilip Gaikwad to arrive a month before the winter semester start, to make necessary arrangements and if required to have passed quarantine regulations due to COVID 19. Furthermore, we usually offering a German intensive language course that will be starting in the middle of September.

Jette Wienprecht

Programme Manager
Professional IT Business and Digitalization

May 26, 2022

Dear M S S Manasa,

We are pleased to offer you admission into the MS by Research in Electronics and Communication Engineering of IIIT, Hyderabad. Congratulations!

Acceptance and Fee Payment: Please use the application portal to explicitly accept this offer. You need to login at <https://admpportal.iiit.ac.in/admissions.php> with your registered email id and password to accept the seat. The acceptance of the offer is deemed to be completed only when the admission fee of Rs.10,000/- is paid through our online portal. The admission fee is non-refundable, even if you cancel the seat later.

Failure to accept the offer by the deadline given below will result in the cancellation of the offer.

Acceptance deadline: Saturday, 4th June 2022, by 5:00 PM IST

You will receive a Full Fellowship for your study at IIIT, Hyderabad, which includes an annual value of Rs.1,50,000/- for tuition fees and a monthly stipend. The stipend for MS students is as follows.

1. Rs.8000/- per month from institute for the First semester, First year (regular admission)
2. Rs.9000/- per month from the center for second semester, first year.
3. Rs.10,000/- per month from the center from second year onwards.

The fellowship will continue as long as your academic performance and research progress are satisfactory.

Classes start on 28th July 2022 for the 2022-23 academic year. .

Please feel free to contact us for any further information.

Sincerely,

PG Admissions Team

Dear Meghana Bodapati ThirumalaNaidu,

Congratulations! You have been admitted to California State University, Fullerton for the Fall 2022 semester. On behalf of the university, we want to extend you a warm welcome to the Cal State Fullerton academic community.

As a new student, you will find that the university offers an abundance of possibilities for growth in terms of academics, activities, and services. The entire Cal State Fullerton community invites you to take on the intellectual and personal challenges and opportunities that are part of a graduate education.

Meghana, if you would like become a Titan today, you must accept your [offer of admission](#) and pay the non-refundable \$250 enrollment deposit through your [Student Portal](#). The acceptance deadline will vary by department or program. Please contact your graduate advisor for the acceptance deadline for your program.

To begin the program, please review all conditions of your admission to the university for the Fall 2022 term. Please log into your [Student Portal](#) to note any "Tasks" that are required. Please also work to meet any requirements for enrollment that have been communicated to you by the department, if applicable.

You will receive additional communications from International Student Services about how to receive your visa documents. Please visit the [New International Students](#) website for important information regarding your next steps including visa documents, travel plans, registration, and housing. If you have questions regarding visa documents, please email iss@fullerton.edu and include your CWID in the subject of your email.

The Cal State Fullerton community wishes you much success, and we look forward to you becoming an important part of the Titan Family!

And remember, it takes a Titan - a Titan just like you!

Sincerely,

Sharnette Underdue

Confirmation of obligation to attend university in person in the winter semester 2022/23

Dear Mr JERALD,

We are pleased that you have decided to study at FAU or that you would like to continue your studies at FAU. Before you can be granted a visa for study purposes, you not only require an admissions letter from the university, but also proof that it is absolutely necessary for you to enter Germany.

FAU is a face-to-face university, in other words students are required to attend in person. In order to allow students to study at FAU with as few restrictions as possible in spite of the coronavirus pandemic, teaching in the winter semester 2022/23 will again largely consist of online teaching combined with individual face-to-face classes (hybrid teaching). The idea behind this is to ensure that all degree programmes can indeed still be studied. We will try to offer face-to-face classes tailored to meet our students' needs in addition to online teaching as far as possible, provided we are able to do so legally and in accordance with regulations aimed at preventing infection and provided we are able to organise face-to-face teaching (for example if sufficient rooms are available and students are able to attend). For the latest information, please visit <http://www.fau.de/corona/studium>.

This applies in particular to examinations. For legal reasons, it is impossible for us to go without examinations requiring attendance in person entirely. Examinations will predominantly require attendance in person.

We therefore certify that you are required to attend FAU in winter semester 2022/23 in person in order to study at the university:

Start of semester: October 1st 2022
Start of lectures: October 17th 2022

End of semester: March 31st 2023
End of lectures: February 10th 2023

Yours sincerely

Dear Mr. Vivek Bettadapura Adishesha:

I am pleased to inform you of your acceptance into the *Graduate School of Engineering* at Northeastern University as a Full-time Regular student in the Masters degree program.

This action is by recommendation of the Admissions Committee following a thorough examination of your preparation and qualifications for graduate work. In accordance with your undergraduate studies, your degree designation will be Master of Science in Electrical and Computer Engineering and will begin the first day of classes of the Fall 2022 term. Please go to [Northeastern's Office of the University Registrar](#) website to view the university calendar. Please also refer to the below student advising and registration information for important information regarding your studies including your initial point of contact in your department of admission. Note that your offer of admission is contingent upon your satisfaction of all local, state and federal laws.

The *Graduate School of Engineering* is available to assist you with any questions that you might have concerning your studies. On behalf of the Graduate Admissions Committee, I welcome you to the *Graduate School of Engineering* at Northeastern University.

Sincerely,

Dr. Waleed Meleis
Associate Dean for Graduate Education

India

Dear Akhilesh Venkataramanan,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Robotics and Autonomous Systems (Artificial Intelligence) (MS) program at the Ira A. Fulton Schools of Engineering, offered at the ASU Tempe campus for the 2022 fall semester.

Important: For detailed information regarding I-20 requirements, including necessary forms and deadlines, go to the International Admission Services website at admission.asu.edu/international/student-visa. To monitor the progress of your I-20, view the I-20 Tracker in my.asu.edu.

For MMR immunization requirements, contact Student Health Services at students.asu.edu/health or 480-965-8177. Proof of MMR immunization is required before registration for classes is permitted.

To maximize the many resources available to you, please familiarize yourself with My ASU, your personalized online student information and services resource, at my.asu.edu. You can access this page by logging in with your new ASURITE User ID and password.

ASU and the Robotics and Autonomous Systems (Artificial Intelligence) (MS) program are committed to assisting you in your exploration of the immense resources and opportunities available to you here. For additional information, you may contact your department at SCAI.Grad.Admission@asu.edu or at 480-965-3199.

ASU embraces integrity in all scholarships, research and creative endeavors. It is our expectation that you will review and abide by ASU's policies related to academic and research integrity at provost.asu.edu/academicintegrity and researchintegrity.asu.edu.

As a New American University, ASU believes your education should be transformative not only for you, but also for society. I encourage you to learn more about what this means to you by visiting newamericanuniversity.asu.edu. I also recommend you go to yourfuture.asu.edu/culture to watch a brief video and find out how current students describe the ASU community.

We look forward to you joining the ASU family, and I wish you success in your graduate studies here.

Sincerely,

Dr. Elizabeth A. Wentz
Vice Provost and Dean, Graduate College

Dear Ms. Sai Sree Pothireddy Gari:

I am pleased to inform you of your acceptance into the *Graduate School of Engineering* at Northeastern University as a Full-time Regular student in the Masters degree program.

This action is by recommendation of the Admissions Committee following a thorough examination of your preparation and qualifications for graduate work. In accordance with your undergraduate studies, your degree designation will be Master of Science in Information Systems and will begin the first day of classes of the Fall 2022 term. Please go to [Northeastern's Office of the University Registrar](#) website to view the university calendar. Please also refer to the below student advising and registration information for important information regarding your studies including your initial point of contact in your department of admission. Note that your offer of admission is contingent upon your satisfaction of all local, state and federal laws.

The *Graduate School of Engineering* is available to assist you with any questions that you might have concerning your studies. On behalf of the Graduate Admissions Committee, I welcome you to the *Graduate School of Engineering* at Northeastern University.

Sincerely,

A handwritten signature in black ink that reads 'Waleed Meleis'.

Dear Animikh,

I am delighted to offer you admission to the Master of Science degree program in Computer Science - Artificial Intelligence within the Graduate School of Arts and Sciences, beginning in the Fall 2022 semester. Admission into our programs is competitive, and you have been selected from among a large number of applicants based on the strength of your academic record. Congratulations on behalf of the Graduate School of Arts and Sciences!

Please respond to our offer of admission and submit the required, nonrefundable \$500 deposit via the Applicant Gateway as soon as possible and no later than April 28, 2022.

Once you have accepted our offer and submitted your deposit, you will receive a welcome email containing important information to assist you in the transition to your graduate program here at Boston University.

If you are an international student, the GRS Admissions Office will also send you, via email, a list of required international documentation and instructions on how to submit these materials, so that they can work with our ISSO to create your I-20.

I look forward to welcoming you to Boston University.

Sincerely,

A handwritten signature in black ink that reads "M. Jeffries-EL". The signature is written in a cursive style with a large, decorative flourish at the end.

Dear Nagarjun,

On behalf of our distinguished faculty, I am pleased to congratulate you on your admission to the **Electrical Engineering MS program** for Fall 2021. Your offer of admission is a testament to your academic credentials and should be a source of pride for you and your family.

CSULB prepares graduate students for a wide range of distinguished careers. We develop graduates who become experts in their fields in both the public and private sectors. I am confident that the graduate program you have selected will inspire, challenge, and support you in the achievement of your highest academic and professional goals.

Our faculty are not only distinguished by their scholarly activities but in their commitment to the success of our students. I look forward to welcoming you and anticipate that with your academic preparation and credentials you will contribute to our history of scholarly achievement, diversity and service.

As you consider our offer, I encourage you to contact your graduate department or International Admissions if they can be of assistance to you. On behalf of the entire CSULB family, I hope that you will join our community of graduate student scholars at CSULB this Fall.

Sincerely,

2021-03-26

Dear Vinay Kumar,

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Computer Engineering program at NYU Tandon School of Engineering as a Full Time student. I am also pleased to offer you a scholarship of \$6,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research at the boundaries between disciplines. Students and faculty share a passion for the creation and execution of world class research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to latest developments in your area of specialty, preparing you for leadership positions throughout your career.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

You and your future classmates have demonstrated the academic accomplishments and leadership potential that will support your success in our graduate programs, which have been a long-standing hallmark of NYU School of Engineering.

Be sure to accept the offer of admission and reserve a space in the Fall 2021 class before your deposit deadline. To view your deposit deadline and find instructions on how to accept your offer, visit engineering.nyu.edu/grad/accept-offer. You also have access to your personalized dashboard at gradadmit.engineering.nyu.edu. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Vinay Kumar, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. Welcome to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Fern Ensweiler M.Ed

**Admission to Studies in Wintersemester 2021/2022
Master's Programme: Embedded Systems Engineering**

Dear Mr. Heroorkar,

We are pleased to be able to inform you that you have been given a place on the Master's Programme Embedded Systems Engineering for the Wintersemester 2021/2022. The courses will start **in the beginning of October**.

In order to finish the enrolment there will be two more steps:

1. The online enrolment will be possible from 01.07.2021 to 01.09.2021.

Please login at <https://portal.fh-dortmund.de> by using your login data from the application. Afterwards please complete the data which is necessary for the online enrolment. After completing the data, please send the enrolment data electronically to Fachhochschule Dortmund by clicking on "Finish online enrollment and back to overview". Afterwards it is necessary to print, sign and send the **application form for enrolment** either by post or a scanned copy by email to:

**Fachhochschule Dortmund
International Office
z. Hd. Frau Böttger
Sonnenstr. 96-100
44139 Dortmund
E-Mail: bewerbung-intoffice@fh-dortmund.de**

Please send this document within the deadline mentioned to reserve your seat for this programme. If you do not send it within the deadline (01.09.2021) your admission will be cancelled.

2. Final enrolment by post with certified copies from 01.09.2021 until 31.10.2021

Please visit the following website for a complete **checklist of the documents** which you have to send for enrolment by post <https://www.fh-dortmund.de/checklist>.

After enrolment you will receive the provisional student ID as well as other information like the log in dates to access your student portal.

If you do not enrol yourself online and by post during the dates mentioned on the first page and if you do not arrange an extension with me **your admission will be cancelled**, there will be no additional notice about this.

Dear Kirtana:

I am pleased to inform you that you have been admitted to the Master of Science program in Computer Science in the Schaefer School of Engineering and Science at Stevens Institute of Technology for the Fall 2022 semester. Congratulations!

Because of your outstanding profile, the admissions committee has recommended you for a graduate scholarship in the amount of \$10,000. This highly selective scholarship is offered to only the most highly qualified prospective students, and you should be proud to count yourself among this select group.

For 150 years, the Schaefer School has educated tomorrow's technology leaders to push the boundaries between engineering, science, and beyond. You have been selected to join our internationally renowned community of scholars because of your academic achievement and ingenuity.

This is an exciting time to be at Stevens. Ranked 15th in the U.S. by the American Society of Engineering Education for the number of Master's degrees awarded, Stevens graduates are in high demand and recognized by employers as top candidates.

As a member of the Schaefer School community, you will work alongside scholars who are at the forefront of their fields, and our academic programs will instill a strong career foundation with the advanced skills necessary to succeed in today's highly competitive world.

For more details on your admission, please read the information on the following page. To confirm or decline this offer of admission, please see details under the "Next Steps" section below.

Stevens has built its reputation as 'the innovation university' largely because of the quality of faculty and students like you. I am confident that you will find your experience at Stevens enriching and rewarding. Congratulations again, and I extend my warmest welcome.

I look forward to meeting you on campus.
Sincerely,

Dr. Juan Zu
Dean of the Schaefer School of Engineering & Science
Stevens Institute of Technology

March 13, 2022

Ms. Leena Tripura Chandra
13, Karishma Hills, Subramanya Pura Post, Gobalalla, Kanakpura Road
Bangalore, Karnataka 560061
India

Dear Leena Tripura,

Congratulations! I am pleased to inform you that you have been admitted into the Master of Engineering Management Program offered by the Pratt School of Engineering at Duke University for the 2022 Fall Term. Admission to the program was very competitive this year, and you were viewed to be an excellent candidate.

In order to accept and secure your position in our class, please complete the following items:

1. Respond to the offer of admission by completing the response form on your applicant status page. Your deadline to respond is April 15, 2022, but we encourage you to respond as soon as possible so you can prepare for enrollment and transition to Duke.
2. Your application was reviewed and a decision was made using unofficial, scanned copies of your transcript(s). If you intend to accept our offer, official copies of your transcript(s) are required; see [official transcripts guidance](#) for information on how to submit official transcripts.
3. Visit our [Admitted Students Resources page](#) to learn more about your program of interest, career outcomes, virtual events, the unique student experience and resources at Duke, and how Duke is leading the way in keeping students safe during the pandemic.
4. As part of Duke University's COVID-19 policies and procedures, all faculty, staff, and students are required to have a COVID-19 vaccination as a condition of employment/enrollment and are expected to present proof of a COVID-19 vaccination or have an approved medical or religious exemption on file with the University. Students who are approved for an exemption will be required to submit daily symptom monitoring, participate in weekly surveillance testing, and follow masking requirements and other protocols per the COVID-19 policies and procedures. Additional information can be found at: <https://covidvaccine.duke.edu/requirements>.

It is my pleasure to congratulate you on this admittance. We look forward to your participation in this program and we hope that you will be able to join us. If you have any questions, please do not hesitate to contact us at pratt_masters@duke.edu.

Congratulations again!

Sincerely,

Bradley A. Fox, Ph.D.
Associate Dean, Master's Programs

BITS SCHOOL OF MANAGEMENT
2nd Floor, Hiranandani Knowledge Park, Powai, Mumbai - 400 076
Tel: +91 22008 22004 | Email: info@bitsom.edu.in | www.bitsom.edu.in

Dear Nanda Kishore D,

Congratulations! We are pleased to **offer you admission** to the MBA program at the BITS School of Management for the Class of 2022-24. From an outstanding and diverse pool of applicants, you stood out as an individual who epitomizes BITSOM's values of Integrity, Innovation & Excellence.

As a BITSOMian, you will be joining a cohort of self-motivated peers who are competent communicators and effective problem solvers with an insatiable curiosity for learning to become visionary changemakers and leaders of tomorrow.

We realize this is a crucial juncture in your life as you choose the best for your future. We believe that with our global, world-class faculty, innovative block-teaching method, distinctive specializations, state-of-the-art infrastructure, corporate mentorships, live projects, and a dedicated career services team, BITSOM will be the perfect choice for you. BITSOM will enable you to hone and nurture your talent and help you forge your path and have a meaningful impact on business and society.

On behalf of the entire community at BITSOM, we are thrilled about your candidacy and look forward to knowing you and seeing you emerge as a distinctive leader in the time you will spend with us.

You can find the Offer Pack in downloadable format on your student dashboard. To accept this offer, confirm your intention to enroll in the programme by making a one-time admission fee payment of **INR 140,000** (Indian Rupees One Hundred & Forty Thousand Only) and uploading the duly signed Offer Acceptance letter on your dashboard. This one-time admissions fee must be received at the latest by **May 20, 2022** to ensure that your place in the class is retained.

To help you address any concerns before enrolling into the class, we are introducing the **Buddy Programme**. A current student from the founding class will connect with you to offer you advice and guidance throughout the onboarding process and act as a one-point contact for any concerns. We have asked your buddy to connect with you very soon.

Please note that the offer may be revoked as per the institute's discretion in case of discrepancy at the time of physical verification of documents.

We look forward to welcoming you to the Class of 2022-24.

The Admissions Team will be happy to answer any questions you may have; kindly email us at adcum@bitsom.edu.in

Best Wishes!

Dear Akarsh Jayachamarajapuram Devarajiah,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Business Analytics (MS) program at the W. P. Carey School of Business, offered at the ASU Tempe campus for the 2022 fall semester.

Important: For detailed information regarding I-20 requirements, including necessary forms and deadlines, go to the International Admission Services website at admission.asu.edu/international/student-visa. To monitor the progress of your I-20, view the I-20 Tracker in my.asu.edu.

For MMR immunization requirements, contact Student Health Services at students.asu.edu/health or 480-965-6177. Proof of MMR immunization is required before registration for classes is permitted.

To maximize the many resources available to you, please familiarize yourself with My ASU, your personalized online student information and services resource, at my.asu.edu. You can access this page by logging in with your new ASURITE User ID and password.

ASU and the Business Analytics (MS) program are committed to assisting you in your exploration of the immense resources and opportunities available to you here. For additional information, you may contact your department at wpcareymasters@asu.edu or at 480-965-3332.

ASU embraces integrity in all scholarship, research and creative endeavors. It is our expectation that you will review and abide by ASU's policies related to academic and research integrity at provost.asu.edu/academicintegrity and researchintegrity.asu.edu.

As a New American University, ASU believes your education should be transformative not only for you, but also for society. I encourage you to learn more about what this means to you by visiting newamericanyouth.asu.edu. I also recommend you go to youtube.asu.edu/culture to watch a brief video and find out how current students describe the ASU community.

We look forward to you joining the ASU family, and I wish you success in your graduate studies here.

Sincerely,

Dr. Elizabeth A. Wentz
Vice Provost and Dean, Graduate College

Dear Anushri:

Congratulations! The School of Computing and Information at the University of Pittsburgh has offered you admission to the Master of Science in Computer Science program beginning in the Fall 2022 term.

While your official admission letter is also being emailed to you at this address, receipt of the formal letter can sometimes take a few days and we wanted to let you know the good news right away!

Being accepted into a graduate program is a testament to your talent, hard work, and intellect, and the beginning of a new stage in your life. This is just the start of many communications we will have with you, and we truly are excited to meet you when you begin your studies with us!

Sincerely,

SCI Admissions Office
& SCI Student Services Team

(Candidate's Signature)

Performance

GATE Score: **587**

Marks out of 100*: **53.67**

Qualifying Marks**

General	EWS/OBC (NCL)	SC/ST/PwD
40.9	36.8	27.2

Number of Candidates Appeared in this paper: **10857**

All India Rank in this paper: **278**

Valid up to 31st March 2024

* Normalized marks for Civil Engineering (CE), Computer Science and Information Technology (CS) and Mechanical Engineering (ME) Papers.

** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard.

Despankar

19th March 2021
Prof. Despankar Choudhury
 Organising Chairperson, GATE 2021
 (on behalf of NCB - GATE, for MoE)

1ca81ef9c33830f3139e8720711ee14d

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2021 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Codes for XE and XL Paper Sections (compulsory section and any other two sections)

Dear Asha Kurugodu ShivaShankar:

Congratulations! I am pleased to inform you that, after careful assessment of your application, you have been granted admission to the following program:

**Master of Applied Computer Science
Computer Science**

This is your official letter of acceptance. As an international student, you are required to obtain a Study Permit and a Quebec Certificate of Acceptance (CAQ). Please read carefully the enclosed "International Students Pre-Departure Guide" to determine the procedures.

The attached Offer of Admission gives information about the program to which you have been admitted, any conditions that apply to your admission, and further details regarding financial support. If you have any questions regarding your Offer of Admission, please feel free to contact us via email at graduate-admission@encs.concordia.ca. Please confirm your acceptance of this Offer of Admission in your Student Centre at www.myconcordia.ca by March 22, 2018.

To learn more about your program, please refer to the Faculty of Engineering & Computer Science website at <http://www.concordia.ca/encs/academics/programs>. Please contact the program assistant for course registration procedures. Contact information can be found in the following pages. You should arrive in Montreal and register for your courses by September 4, 2018.

Given your achievements, potential and academic intent, I believe that your academic interests will be well served by this program. I take this opportunity to welcome you to Concordia University and wish you every success in your studies.

Sincerely yours,

Mourad Debbabi, Ph.D.
Associate Dean, Research and Graduate Studies

C/O G H Nagendra Reddy
Stadium Rd 1st Cross
Chitradurga, KA 577501
IND

Dear Supreetha:

It is my pleasure to inform you that our Graduate Admissions Committee has granted you admission to the Computer Science, MS program beginning with the 2018-19 Fall term. This offer recognizes your past accomplishments and, especially, your extraordinary academic promise.

Please be aware that your admission has been granted subject to meeting conditions outlined on the enclosed Bridge Program guide.

To accept our offer of admission, please pay the \$300.00 Advance Tuition Deposit. This reserves your place in the program, allows you to apply for campus housing, and access online resources. Your academic department will provide you with registration procedures and course schedules. After you have paid the tuition deposit, your existing RIT Account will transition to a full student account.

Please read the enclosed information carefully. Your understanding of the instructions and deadlines within this material will enable faculty and staff to assist you effectively as you make plans to join us at RIT. If any questions arise regarding your admission, we are available to help you. Please check our website [www.rit.edu/grad], contact us at gradinfo@rit.edu or call us at the number listed above. From this point on, we will send you a series of emails containing important information about your admission to RIT. Be sure to add gradinfo@rit.edu to your "allowed" emails section of your email system.

I extend to you my congratulations and wish you the best as you finalize your plans to continue your education at RIT.

Sincerely,

Diane M. Ellison

Dear Vinyas,

Congratulations on your acceptance to The University of Texas at Dallas! It is our pleasure to offer you admission to the Master of Science in Computer Science program for the Fall 2018 semester. We share your excitement as you begin this new stage in your education.

Please note that any outstanding required documents must be received by the Office of Admission and Enrollment before you will be able to register for classes.

The Department of Computer Science has admitted you with no additional prerequisites needed. You will be contacted by your department regarding the new graduate student orientation dates and any other specific information.

Visit utdallas.edu/graduate/after-admission/ to accept your offer of admission and begin the steps towards enrollment.

Your non-resident tuition status has been determined based on the information that you provided on your admission application. If you have any questions regarding your residency status, please contact the Office of Admission and Enrollment at 972-883-2270.

Our faculty and staff look forward to welcoming you to UT Dallas. We promise you a welcoming environment, intellectual challenges, great faculty in your field of study, and a diverse and stimulating University family.

Sincerely,

Gopal Gupta, Ph.D.
Erik Jonsson Chair and Department Head
Department of Computer Science

2017-18_Vinyas R

Dear Student:

Congratulations on your acceptance and decision to attend NC State University. Enclosed please find your new I-20/DS-2019. The NC State I-20/DS-2019 reflects your current SEVIS record and it should be presented as a principal piece of supporting documentation for a new visa and entry to the U.S. Please keep in mind that the I-20 or DS-2019 you use to apply for the F-1 or J-1 visa must be from the school you plan to attend.

Upon receipt of your I-20/DS-2019, you must pay the SEVIS fee. The payment can be done online through the following site: www.FMjfee.com. The fee is \$200 for F-1 students and \$180 for J-1 student. The SEVIS fee is not refundable. Canadian citizens are not required to obtain an F-1 visa stamp; they will be required to pay the fee before requesting admission to the US at the port of entry. However, the fee cannot be paid at the Port of Entry. At the Port of Entry, Canadian citizens must present their I-20 with the proof of SEVIS fee payment. More information on the SEVIS fee can be found in www.FMjfee.com.

To apply for the visa, take your passport and the enclosed SEVIS Form I-20 (for F-1 visa) or SEVIS Form DS-2019 (for J-1 visa) with a copy of your online admission letter, SEVIS fee receipt, and financial documentation (ex: a letter outlining an assistantship award from your department, scholarship award letter, or proof of financial support from a sponsor with accompanying current bank statement) to the US Embassy or Consulate in your country. Please note that both personal and family funds are listed and considered as personal funds on the I-20. The following website provides links to all US Embassies and Consulates worldwide: <http://usembassy.state.gov>. You will find important information regarding applying for the visa and the visa interview. More information about the visa application can also be found in our website: <https://internationalservices.ncsu.edu/immigration/visa-information-for-f-1-students-j-1-exchange-visitors/>

All international students are required to have proof of your immunizations submitted to Student Health Services immediately upon acceptance to ensure they are in compliance with North Carolina Immunization law. All records must be translated into English. We strongly recommend that you submit your Health History and Immunization Form before you arrive at NC State University. You can find more information in the following site: <https://healthypack.dasa.ncsu.edu/health-records/immunization-compliance/>

Upon arrival to NC State you must report to OIS to check-in prior to **the first day of classes**. Bring with you the NC State I-20/DS-2019, your passport, I-94 card record and your most recent visa.

We will be sending you pre-arrival information soon. Please visit our website <http://internationalservices.ncsu.edu/> often for updated information. Let us know of any email address changes to make sure that you will not miss any information we will be sending.

We look forward to welcoming you to North Carolina State University. If you have any questions during this process, please do not hesitate contact us at OIS@ncsu.edu.

R.K. Layout Padmanabh
Bangalore, Karnataka-560070
India

Dear Mr. Vadiraj:

Congratulations! Your application for the Masters of Science in Computer Science has been approved. Let me take this time to wish you much success with your new curriculum and provide you with some additional information about our program.

Enclosed you will find a copy of your academic plan of study. This plan of study has been customized for you based on your experience in Computer Science and your exposure to the topic areas that will be covered in our core curriculum.

In order to better prepare you for success in our program, the Department of Computer Science utilizes bridge courses. If it is determined that you are missing skills required to pass graduate level courses, then you will be assigned bridge courses, which are prerequisite requirements for the graduate program. Completion of assigned bridge courses are compulsory and require a minimum grade of 'B'. Understanding that we do not always interpret transcripts the way that you might, you will have an opportunity to test out of any assigned bridge courses when you arrive on campus. You are welcome to take exams for any and all of your bridge courses, but be advised that you may only take the exam once. If you have been assigned bridge courses, they will appear on your program of study as such.

Additionally, the CS department has many advising resources. When you arrive on campus you will have access to our faculty advisors. Faculty advisors are available to discuss career options, course specialization and answer your questions regarding the technical aspects of our curriculum. We also have professional academic advisors available for graduate students in Computer Science, who are available to answer your questions about the CS department, the MS program and RIT in general.

Please do not hesitate to contact me via email (hpb@cs.rit.edu) or our student services office (585-475-2995) with any questions. Once again, welcome to Computer Science!

Sincerely,

Dr. Hans-Peter Bischof

Dear Nagarjun,

On behalf of our distinguished faculty, I am pleased to congratulate you on your admission to the **Electrical Engineering MS program** for Fall 2021. Your offer of admission is a testament to your academic credentials and should be a source of pride for you and your family.

CSULB prepares graduate students for a wide range of distinguished careers. We develop graduates who become experts in their fields in both the public and private sectors. I am confident that the graduate program you have selected will inspire, challenge, and support you in the achievement of your highest academic and professional goals.

Our faculty are not only distinguished by their scholarly activities but in their commitment to the success of our students. I look forward to welcoming you and anticipate that with your academic preparation and credentials you will contribute to our history of scholarly achievement, diversity and service.

As you consider our offer, I encourage you to contact your graduate department or International Admissions if they can be of assistance to you. On behalf of the entire CSULB family, I hope that you will join our community of graduate student scholars at CSULB this Fall.

Sincerely,

2021-03-26

Dear Vinay Kumar,

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Computer Engineering program at NYU Tandon School of Engineering as a Full Time student. I am also pleased to offer you a scholarship of \$6,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research at the boundaries between disciplines. Students and faculty share a passion for the creation and execution of world class research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to latest developments in your area of specialty, preparing you for leadership positions throughout your career.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

You and your future classmates have demonstrated the academic accomplishments and leadership potential that will support your success in our graduate programs, which have been a long-standing hallmark of NYU School of Engineering.

Be sure to accept the offer of admission and reserve a space in the Fall 2021 class before your deposit deadline. To view your deposit deadline and find instructions on how to accept your offer, visit engineering.nyu.edu/grad/accept-offer. You also have access to your personalized dashboard at gradadmit.engineering.nyu.edu. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Vinay Kumar, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. Welcome to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Fern Ensweiler M.Ed

**Admission to Studies in Wintersemester 2021/2022
Master's Programme: Embedded Systems Engineering**

Dear Mr. Heroorkar,

We are pleased to be able to inform you that you have been given a place on the Master's Programme Embedded Systems Engineering for the Wintersemester 2021/2022. The courses will start **in the beginning of October**.

In order to finish the enrolment there will be two more steps:

1. The online enrolment will be possible from 01.07.2021 to 01.09.2021.

Please login at <https://portal.fh-dortmund.de> by using your login data from the application. Afterwards please complete the data which is necessary for the online enrolment. After completing the data, please send the enrolment data electronically to Fachhochschule Dortmund by clicking on "Finish online enrollment and back to overview". Afterwards it is necessary to print, sign and send the **application form for enrolment** either by post or a scanned copy by email to:

**Fachhochschule Dortmund
International Office
z. Hd. Frau Böttger
Sonnenstr. 96-100
44139 Dortmund
E-Mail: bewerbung-intoffice@fh-dortmund.de**

Please send this document within the deadline mentioned to reserve your seat for this programme. If you do not send it within the deadline (01.09.2021) your admission will be cancelled.

2. Final enrolment by post with certified copies from 01.09.2021 until 31.10.2021

Please visit the following website for a complete **checklist of the documents** which you have to send for enrolment by post <https://www.fh-dortmund.de/checklist>.

After enrolment you will receive the provisional student ID as well as other information like the log in dates to access your student portal.

If you do not enrol yourself online and by post during the dates mentioned on the first page and if you do not arrange an extension with me **your admission will be cancelled**, there will be no additional notice about this.

2021-03-26

Dear Vinay Kumar,

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Computer Engineering program at NYU Tandon School of Engineering as a Full Time student. I am also pleased to offer you a scholarship of \$6,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research at the boundaries between disciplines. Students and faculty share a passion for the creation and execution of world class research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to latest developments in your area of specialty, preparing you for leadership positions throughout your career.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

You and your future classmates have demonstrated the academic accomplishments and leadership potential that will support your success in our graduate programs, which have been a long-standing hallmark of NYU School of Engineering.

Be sure to accept the offer of admission and reserve a space in the Fall 2021 class before your deposit deadline. To view your deposit deadline and find instructions on how to accept your offer, visit engineering.nyu.edu/grad/accept-offer. Northeastern Welcomes You!

Sat, May 19, 2018 at 2:12 AM

Nadine Aubry, Dean of the College of Engineering <n.aubry@northeastern.edu>
Reply-To: admissions@husky.desk-mail.com
To: anishagan26@gmail.com

Northeastern University
Graduate School of Engineering

Dear Anisha,

I am delighted to congratulate you on your acceptance to Northeastern University's College of Engineering! This is an achievement you should be very proud of. Our graduate programs are highly selective. You are among an elite group of talented students, and I very much look forward to you joining our engineering community.

At Northeastern, you will benefit from a distinctive, innovative approach to education and research that makes us one of the top engineering schools in the world. We are a leader in providing an interdisciplinary and experiential education, as well as transformative and convergent research to advance society and better the world.

We are one of only a few that offer a cooperative education program for graduate students. International and domestic students have the opportunity to take advantage of Northeastern's world-renowned program to gain up to eight months of paid industry experience as part of the degree program—giving you the competitive edge for career opportunities and advancement upon graduation. The College has over 700 employer partners globally such as Google, Microsoft, and Amazon. Students earn an average of \$26 per hour during their co-op, which helps to finance their education, and many secure permanent positions after graduation.

Northeastern is a leading institution in the top-tier for research activity among U.S. colleges and universities, according to the Carnegie Classification of Institutions of Higher Education. The College has 13 state-of-the-art research centers in cutting-edge areas, and funding from eight federal agencies, as well as seven research initiatives focused on use-drive transformative, and innovative research to improve health, sustainability, and security for all. The seven research initiatives focus on use-driven, transformative, and innovative research to improve health, sustainability, and security for all. By involving students in many levels of engagement, encouraging collaboration across departments, and partnering across the university and with outside institutions and organizations, we are shaping the future by redefining what it means to be an engineer.

Through a rich educational experience, we are preparing the next generation of engineering leaders capable of conquering the complex and pressing global challenges facing society through bold and boundless innovation. You can be one of these future leaders.

Once again, congratulations on your acceptance to Northeastern's College of Engineering. I hope you choose to join us, and I look forward to welcoming you to our campus.

Sincerely,

Nadine Aubry, PhD

Dear Madana Krishnan Vadakandara Krishnan,

I am pleased to offer you admission to the Master of Science program in the School of Computing Science for the 2019 Fall term. We received many excellent applications this year and the admissions committee that reviewed your application was impressed. We sincerely hope you will choose to pursue your graduate studies at SFU.

You may be eligible for a variety of funding sources available to support your graduate studies. These are awarded on a competitive basis.

Your admission is contingent on successful completion of your Bachelor's degree from Visvesvaraya Technological University. Once your degree has been awarded, please arrange for an official transcript, showing the awarding of your degree, to be sent directly from the institution to Graduate and Postdoctoral Studies.

Please read the *Admission Handbook* available online at <http://ats.sfu.ca/PHICceD>. This handbook contains important information associated with your offer such as the academic integrity policy and funding eligibility criteria. You will need to read and understand this handbook prior to accepting your offer.

Your offer must be accepted or declined within 14 days from the date of this letter. Should the department to which you have been admitted have a deadline for acceptance which is different than this, the department will inform you of the acceptance deadline by email. To accept or decline your offer, please log in to the application system at <https://go.sfu.ca> using your 'GA' ID or your existing SFU computing ID if you are a current student. You can accept the offer and pay the admission deposit online. The admission deposit will hold your place in the program and will be applied to your tuition in your first term.

If you have any questions or concerns, please contact the School of Computing Science or Graduate and Postdoctoral Studies (www.sfu.ca/dean-gradstudies.html).

I am confident that the Master's program in the School of Computing Science will provide you with a rewarding and intellectually stimulating graduate experience. On behalf of the entire SFU community, I would like to wish you every success in the upcoming academic year.

Sincerely,

Dr. Jeff Derksen
Dean and Associate Provost
Graduate and Postdoctoral Studies

Dalhousie ID Number: B00846975

Dear Rakshith:

Congratulations! On behalf of Dalhousie University I am pleased to inform you of your admission to the Full Time Master of Engineering program in Civil Engineering for the session beginning September 1, 2019. For your information, the Master of Engineering program is program fee based.

As a program fee student you are responsible for 1 year of full program fees. Once you have met this requirement you will become a continuing student and you will be responsible for paying continuing fees (in place of program fees). Typically, this program takes 2 years to complete.

Please confirm by email, to your department, if you will be accepting this offer. Questions concerning your program should also be directed to the Graduate Co-ordinator of your department.

Please be advised that you are required to submit an attested copy of your degree certificate from Visvesvaraya Technological University. Please ensure that the degree certificate is in a sealed university envelope.

Please visit dal.ca/gradnextsteps for further information on paying your deposit, as well as other important next steps.

If there is pre-requisite work to complete before you begin your graduate program, you will be notified by your department.

If you are presently enrolled in a degree program, you must complete your current degree with a minimum B average prior to the start of the new program, and submit your final transcript to the Faculty of Graduate Studies within 90 days of beginning your studies at Dalhousie.

It is a condition of your admission that you will not be enrolled in any additional program at Dalhousie, or elsewhere, during the course of the program for which you have been admitted, unless special arrangements have been made and approved.

In order that a place in your program may be reserved for you a non-refundable deposit of \$200.00, which will be credited towards your fees, is required by Tuesday, July 16, 2019. If you decide not to attend this program, or if you have been accepted to another Dalhousie program and choose to decline that offer, please notify your school or department in writing of your decision.

Civil Engineering-MS (TH)

WE CHOOSE YOU!

Congratulations Rishabh!

It is my privilege to inform you of your offer of GRAD Unconditional admission to the Civil Engineering-MS (TH) program at the University of Texas at Arlington for the 2020 Spring semester.

Your next step is to request your official transcript(s) and degree verification (if graduated) sent to UTA Graduate Admissions. You will not be able to enroll in classes if your official documents haven't been received. Access <https://www.uta.edu/admissions/studyuta/apply/graduates.php> for the definition of official transcripts and <https://www.uta.edu/admissions/contact-us> for the mailing address.

Admission to UTA is competitive, and your selection was not taken lightly. We chose you based not only on your academic record, but by evaluating your potential for continued success. We don't just believe that you will continue to excel, we expect it.

UTA is recognized by the New America Foundation as a model 21st century university. We're bringing resources, technology, teaching, and research together to shape our students and the world around us. In short, UTA will challenge you and engage you.

Please access the accept/decline link on your Student Center page in MyMav to either accept or decline your admission. You can find a checklist outlining the items you need to complete before enrolling at <https://www.uta.edu/admissions/enroll/accepted-graduate>

Again, congratulations and welcome to the Maverick family.

Sincerely,

Dear Ms. Nuggehalli Sundrkrishna,

After examining your application for admission we are pleased to inform you that you have been admitted to study at the

**Otto-von-Guericke Universität Magdeburg,
Faculty of Computer Science
in the MSc course: Digital Engineering.**

The admission is valid only for the winter semester 2019/20.

A transfer of the admission to a later semester is impossible.
The language of instruction for the program is English.

The period of enrolment is September 23 – October 10, 2019. Should you not be able to come here by that day enrolment cannot be carried out.
Your enrolment will only become effective if you are able to provide the documents listed in the enclosed "Instructions for enrolment" for investigation purposes on arrival.

If you wish to apply for a room in a residence hall please contact the "Studentenwerk" (<https://www.studentenwerk-magdeburg.de/en/accommodation/>).

Sincerely yours,

Admission office

Dear Ms. Krishnaraj,

We have reviewed your Change of Degree application and are pleased to inform you the Electrical and Computer Engineering Graduate Committee has approved your admission to the following program in the College of Engineering and Computer Science.

Program: Computer Engineering (MSE-CE) **Student ID Number:** 66263269
Term: Winter 2020 **Residency Classification:** Non Resident

All students are encouraged to meet with their advisor to develop a plan of study before registering for courses. You are encouraged to meet with your advisor at least once a term.

Advisor:

Dr. H. Malik	hafiz@umich.edu	T. (313)593-5677	Office: 210 SFG
Dr. A. Shaout	shaout@umich.edu	T. (313)593-5308	Office: 222 SFC

We are looking forward to you joining our program and hope that we can make your educational experience both pleasant and rewarding. If you have any questions, please feel free to contact the Electrical and Computer Engineering Graduate Secretary at umc-ecograd@umich.edu

Sincerely,

Dr. Paul Richardson

Degree: Master's in Computer Engineering
Term: Fall 2019
Method: In Person
NYU ID Number: N15166462
Net ID: rd2712

2019-05-15

Dear Raghunath,

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Computer Engineering program at NYU Tandon School of Engineering as a Full Time student. I am also pleased to offer you a scholarship of \$7,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of

- Our world-class faculty, engaged in cutting edge research at the boundaries between disciplines. Students and faculty share a passion for the creation and execution of world class research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to latest developments in your area of specialty, preparing you for leadership positions throughout your career.
- A diverse environment for worldwide academic collaboration. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

This is an exciting time to be joining the NYU Tandon School of Engineering. You and your future classmates have demonstrated the academic accomplishments and leadership potential that will support your success in our graduate programs, which have been a hallmark of NYU School of Engineering for more than 110 years.

To accept the offer of admission and reserve a space in the Fall 2019 class before the deadline of June 1st, 2019, visit your personalized dashboard at gradadmit.engineering.nyu.edu. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Raghunath, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. Welcome to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Fern Ensweller M.Ed.

Letter of acceptance
for the Winter Semester 2019/2020

Number of Applicant: 139403 / BE
Please always indicate applicant number!

Dear Ms Jadhav,
You have been admitted to the 1st semester of the master degree course
Biomedical Engineering (BE) - M.Sc.
at Campus Villingen-Schwenningen for the above named semester. You have been
selected according to selection procedure.
Please fill in and sign the acceptance statement attached below and send it back. The
deadline is on 8 July 2019 (term of exclusion).
Enrollment takes place between 16 September 2019 and 27 September 2019 (term of
exclusion). Please find the office hours of the student affairs department in the attached
brochure - [Wichtige Informationen](#) => [Informationen zur Einschreibung](#)

Enrollment is only possible if study fee, the contribution to
the Studienendenwerk, the administration fee and the
student body fee (total 1630,- €) have been transferred to
the account of the Furthwangen University. The new 1.000,-
Euro tuition fee for international students will apply to you.

The following documents have to be submitted upon
enrollment:
- Admission letter
- Proof of health insurance
- Application for enrollment
- ID-Card / passport copy

Instructions on Rights of Appeal:
You can file a suit against the notification within one month at the administrative court in Fribourg
(Erstinstanzverfahren Freiburg, Halbesauserstr. 125 - 136, 75154 Fribourg). The suit has to describe the
complaint, the defendant and the matter of dispute and has to contain a certain petition.

Furthwangen University
