Reply to Sr. No. 15: Whether the institution has implemented Safety and security measures in the Campus?

“Yes” RNSIT has a slew of Safety and security measures implemented in the Campus.

Following are the brief highlights of the security measures:

1. The entire campus security is outsourced to a reputed security agency for 24 x 7 watch and ward with special lady security for girls hostel.
2. The entire campus – from entrance to corridors, classrooms, laboratories, hostels, library, parking area, etc. are all under CCTV surveillance with 6 month backup of the recording.
3. The entry and exit are strictly monitored for unauthorized entry / only authorized personnel with valid reason can enter the campus. Also the reasons for movement of goods / equipment / vehicles, etc. are monitored and recorded at the entry and corresponding departments.

Following are the brief highlights of the safety measures in the laboratories:

1. Students have to wear **lab uniforms** with shoes in the lab (to avoid accidents due to loose clothes such as veils, pallus, etc.).
2. Students have to follow the Dos & Don'ts list of instructions in labs for safety reasons. The corresponding chart is shown below.
3. All laboratories are well ventilated.
4. **Fire Extinguisher** in case of emergency
5. **First Aid Kit** is provided in case of emergency.
6. Use of mobile phones is prohibited inside the laboratories.
7. All the equipment are well maintained and serviced periodically.
8. Damaged equipment are identified and serviced at the earliest.

9. High definition Cameras are installed in the laboratories for the safety of laboratory equipment and student's materials.
10. All electrical connections are Properly earthed.
11. Each lab working table has 2 pole, 16A MCB protection.
12. All the equipment/power modules have in built fuse protection.
13. Rubber mats for safety of the staff and students are provided.
14. Electrical wires protected by MCB and fuses.
