

# Mahadeva M

## Assistant Professor

---

### Experience (Teaching and Industry)

- RNSIT (2018- till date)
- SPCE(2015-2018)
- KSIT and Dr. SMCE (2014-2015)
- HAL –Junior Research Fellow (2014-2014)

### Qualifications

- B.E. from Government Engineering College, K R Pet
- M.Tech. from SIET, Tumkur
- PHD Pursuing from Bangalore University (Ph.D.-UVCE)

### Specialization (Academics)

- Computer Aided Design of Structures
- Structural Engineering
- Pre-Stressed Concrete Structures
- Concrete Technology

### Specialization (Research)

- Soil Structure Interaction
- Artificial Intelligence Applications to Civil Engineering (Water resources and Concrete technology)
- Building materials and water resources engineering

### Publications

- [https://scholar.google.com/scholar?hl=en&as\\_sdt=0%2C5&q=mahadevm10&btnG=](https://scholar.google.com/scholar?hl=en&as_sdt=0%2C5&q=mahadevm10&btnG=)

### Awards Received

- Indian Institute of Remote Sensing (ISRO-IIRS) Outreach Program Institute Coordinator
- Active Young Research Award 2017.
- IARDO Award of Most Promising Educator-2018.
- DK International Research Foundation Award of "Best Young Faculty-19 ".
- Institute of Scholars (INSC) Young Achiever Award-2020.
- Member in News of Institutions of Engineers (India) IEI June 18, Dec2019.
- Session Chair for National and International Conference.
- National/International Advisory Board Member for International Conference.
- KSCE Journal of Civil Engineering Reviewer (Springer journals).
- Editorial board member for Innovative Scientific Research Professional Malaysia Sdn.Bhd.
- Academy Structure member for Russian Federation, Saint Petersburg city Russia.
