

# Sachin R. Kulkarni

## Assistant Professor

---

### Experience (Teaching and Industry)

- RNSIT (2019- till date)
- EWCE (2015-2019)

### Qualifications

- B.Sc from Karnatak Science College
- M.Sc from Karnatak University
- Ph.D (pursuing) VTU, Belgaum

### Specialization (Academics)

- Applied Geology
- Hydrogeology.
- Remote Sensing and GIS
- Hydrology

### Specialization (Research)

- Groundwater
- Petrology
- Structural Geology

### Publications

- Rakesh Patil, GV Kurli, Sachin Kulkarni (2017), "Hydrogeological Study and Groundwater Quality Analysis along HoovinalHalla Basin, Belagavi District", International Journal for Scientific Research & Development, 5(7), pp-723-726, (ISSN: 2321-0613).
- T.B. Manuvachari, R.L. Jayappagol, S.R. Kulkarni, N.A.Parry, Chandan Kumar. B, A.G. Ugarkar (2016), "Mineralogy and Geochemistry of Desur Clay Deposit Hosted within the Peninsular Gneiss, Northern Part of the Dharwar Craton of South India". International Journal of Earth Science and Engineering, 9(3), pp.1012-1017, (ISSN: 0974-590).

### Awards Received
