Jointly Organized by Department of MBA & MCA

2nd International Conference on Research in Business Management and Information Technology

ABOUT THE CONFERENCE

ICRBIT provides a forum for Researchers, Scholars, Managers, Business Analysts and Professionals from both academia and industry across globe to exchange knowledge, experience, and new ideas. Further, it serves as a platform to explore various aspects of research in business, management and information technology and challenges encountered along with a solutions recommended. All full paper submissions will be peer reviewed and evaluated based on originality, technical and/or research content/depth, correctness, relevance to conference, contributions, and readability.

ABOUT RNSIT

RNS Institute of Technology (RNSIT) established in the year 2001 is the brain-child of RNS Group Chairman, Dr. RN Shetty. The Marudeshwar Group of Companies headed by Dr. R.N. Shetty is a leading player in many industries viz construction, manufacturing, hotel, automobile, power and IT services and education. The group has contributed significantly in the field of education. A number of educational institutions are run by the R.N. Shetty Trust, and RNSIT is one among them. With continuous desire to provide quality education to the society, the group has established RNSIT, an institution to flourish and produce the best of engineering and management talents in the country and is rated as one of the best accredited engineering colleges in Bengaluru.

ABOUT DEPARTMENTS

The Department of MBA was established in the year 2004, with the vision to be in the fore front of management education and research by imparting conceptual knowledge and managerial skills in a learning environment of high academic ambience. The MBA program offered at RNS Institute of Technology is affiliated to Viswavyaya Technological University (VTU), recognized by the Government of Karnataka, approved by AICTE, New Delhi and Accredited by NAAC. MBA Department at RNSIT is recognized as a research centre by VTU from the academic year 2009-10 to offer programme leading to the award of the degree of Doctor of Philosophy (Ph.D.). MBA programme at RNSIT is recognized as one of the best and the institute is among the top ranked in the category of business management. The faculty has an ideal blend of excellent academic qualifications, extensive hands on experience. The learning at the Department is beyond the curriculum prescribed by the university and is aimed at preparing the students to acquire skills and competencies to meet the corporate expectations.

The Dept. of MCA, since its inception in 2003 with the vision of "Synergizing computer applications for real world" is accelerating and stepping ahead to focus towards contributing to the societal and technical necessities. Department is headed by Dr. N.P. Kavaya, along with qualified, experienced and committed team of 15 faculty members, with an intake of 60 plus Lateral Entry students. A well-administered state of the art laboratories with 120 high-end systems, enabled with LAN & Wi-Fi connectivity. The department is educating and training students consistently to high standards and nurturing them to excel with outstanding track record, good results and university ranks to compete with their peers from the best institutions of higher education. The outcome has led to quality training, internships and campus recruitment in reputed companies.

CALL FOR PAPERS

Academics, research scholars, corporate executives and practitioners of management and Information technology are invited to contribute papers and participate in the conference. The full paper in MS word not exceeding 5000 words should be sent to the conference E-mail id: scribit@rnsit.ac.in

The theme of the conference mainly focuses on management and information technology. Contributors are strongly encouraged to develop manuscripts as conceptual, empirical and case studies. Manuscripts that seek to focus on themes and subthemes given below. Contributions on other relevant themes that seek to explore issues in business management and IT are also most welcome. We invite original (un-published) research contributions based on the mentioned theme including following topics but not limited to:
