By using the above admin credentials, you can add/bulk import your staff/student data to initiate the access

The users can be added/imported individually or in bulk by using User tab in the admin panel. There is facility to create user group(s) according to departments and users need to be added in those respective user groups only.

Note: For the first-

time login users, the system will request for password change with email OTP code which will be sent to your registered email ID. Post that, the users can change/reset the password.

We appreciate your patience in this regard and we look forward to take your valuable feedback as we move on for a smooth journey on VTU Consortium subscribed eResources from various content providers / publishers

Thanks & Best Regards,
