

Phanikanth K V

Assistant Professor

Qualification

- Pursuing Ph. D. in Big Data at Visvesvaraya Technological University.
- **MTech (Computer Science and Engineering)**, Bangalore Institute of Technology, Visvesvaraya Technological University, Karnataka.
- **BE (Computer Science)** from Global Academy of Technology, Visvesvaraya Technological University, Karnataka

Experience

Academic:

- Assistant Professor, Dept. of Computer Science and Engineering, Jyothy Institute of Technology, Bangalore, 2013.
- Assistant Professor, Dept. of Information Science and Engineering, Global Academy of Technology, Bangalore, 2014 – 2015.
- Assistant Professor, Dept. of Information Technology, Alliance University, Bangalore, 2015 – 2017.

Industry:

- Wipro Technologies, Bangalore.
 - Senior Software Engineer – Healthcare Project, 2015.
- Sathyan Technosoft, Bangalore.
 - Big Data Developer – Healthcare Project, 2017 – 2022.

Courses Taught:

Data Structures, System Software, Theory of Computation, Compiler Design, Java Programming, Advanced Java, Big Data and Data Mining.

Areas of Research:

Big Data and Semantic Technologies

Certifications and Achievements

- Completed Machine Learning course from Stanford University.
- Presented a paper titled - “A Big Data Perspective of Current ETL Techniques”, ICACCE, 3rd international conference, DOI: 978-1-5090-2576-3/16, IEEE, 2016.
- Completed certification course in R programming from Udemy.
- Completed certification course in Java Programming from Udemy
- Presented a paper titled, “Feature Based Image Retrieval Using Multi Index Hashing” RCCIT’13, National Conference, APRIL 2013.
- Member of IEEE Society.
