Name Vinutha S

Designation Assistant Professor

Qualification ME in computer Science

Experience 3 years

Academic: 6 months

Industry: 2.4 years

Courses Taught: DBMS, OS

Areas of Research:

Certifications and Achievements

1. 3rd International Conference on Convergent Innovative Technologies, International Journal of Engineering Research- ISSN: 2919-6890 – "Deep Neural Network used as a Supervised Image Classifier with Noise Recognition". At Cambridge Institute of Technology.
2. IRAJ Research Form, International Conferences on Recent Advances in Computer Science and Information Technology-"Secured Entry and Face Detection Privacy to Prevent Robbery in SelfService Banking System" paper id- WR-RACSIT-BGLR-04096-124 BE Networks", In Journal of Advances in Computer Networks (JACN), ISSN: 1793-8244, vol. 3, no. 2, pp. 146-149, June 2015.
